

DOJO MUNICIPAL

Brive, France

A landmark facility serving sport, clubs, and the visibility of the territory.

Construction of a next-generation Dojo with a total area of approximately 2,600 m^2.

The facility is organized around a main competition area featuring four tatami mats and stands with a capacity of 400 spectators. It also includes a warm-up room, spaces for officials and judges, and a welcoming clubhouse combining a dining area and meeting rooms for the clubs. Changing rooms, a fitness room with sauna, an anti-doping control area, and a medical room complete the complex, alongside the technical and storage rooms required for its proper functioning.
