Geneva, Switzerland

Transformation of the Bout-du-Monde Sports Centre, Geneva
Competition 2026

Modernisation of the Bout-du-Monde Sports Centre, including a new facility with a swimming pool and sports halls. The project focuses on the preservation and reuse of existing buildings and materials, low-carbon design, and landscaped areas that integrate rainwater management and address flood risks.

Competition project in collaboration with FdMP architectes (lead architect) and Atelier Ferret Architectures (associate architect).
